QUEEN MARGARET 8th of KC

1968 International grand champion for Darlowe Mencke & Sons, Blair, Nebr. A son and daughter sell in this sale. Just a sample of the rich breeding and quality being offered.

## SOCIAL HOUR AND DINNER

Everyone is invited to a social hour beginning at 6:00 p.m., December 6th at the Fremont Golf Club located at the west edge of Fremont. (Turn north from highway 30 on the west edge of cemetery at Fremont Golf Club sign three-quarters of a mile north of highway 30). Steak dinner will follow.

# GENERAL SALE INFORMATION

**TIME** — Monday, December 7, 1970. Sale will start at 12:30 p.m.

**PLACE** — Wells Commission Co., Fremont, Nebr. Located at 500 South Main. Turn on Main street and go south across the tracks. Barn located right at curve. If coming from the south on Hwy. 77, turn east on Washington street to Main.

**TRANSPORTATION** — We will be glad to meet any planes at Eppley Field, Omaha, if notified in advance. Buyers may also reach Fremont by Union Pacific. Depot only two blocks from sale barn.

**SALE HEADQUARTERS** — There are many good motels in Fremont. We suggest the Modern-Aire Motel (Best Western) on the east edge of town on Hwy. 30. The Holiday Inn, Erin Landmark or Erin Manor also have excellent rooms. Phone number at Modern-Aire (A.C. 402 721-2713). We will be happy to make reservations for you.

**DINNER** — A social hour and dinner will be held at the Fremont Golf Club, the evening of December 6th. Social hour begins at 6:00 p.m.

**TERMS** — The terms of this sale are cash.

**GUARANTEE** — All cattle will sell under the Standard Guarantee endorsed by the American Shorthorn Association found elsewhere in this catalog. Certificate of registry will be transferred to the buyer of each lot.

**HEALTH** — Official vaccination for Bangs disease has been practiced. T.B. and Bangs test will be furnished on every animal sold and official vaccination certificates with all females under 24 months of age. Every lot will comply with the health regulations into any state which they may go.

Each animal will be at purchaser's risk as soon as bid off.

Announcements from the auction block will take precedence over printed matter in the catalog.

**LIABILITY** — We shall not be liable for any accidents that may occur, but will make every effort to provide for the safety and comfort of those attending. Accidents at cattle sales are rare, but all attending must do so at their own risk. The guarantee and terms shall constitute a contract between the buyer and seller of each lot. The sale manager was retained for specific tasks promotional and clerical and has nothing to do with the handling of the cattle or the condition of the premises. Neither the sale manager, clerk, nor auctioneers can assume any liability.

**LUNCH** — Available at the sale barn.

**SALE MANAGER** — Bill Stunkel, A.S.A. Sale Management, 8288 Hascall St., Omaha, Nebr.

**MAIL BIDS** — Mail bids can be sent to C. D. Swaffer, Ted Aegerter, Sherman Berg or Bill Stunkel at the American Shorthorn Ass'n, 8288 Hascall St., Omaha, Nebr. Phone AC 402 393-7200. On sale day phone the Wells Commission Co., Fremont, Nebr. AC 402 721-5514.

# Mencke Shorthorns Welcome You

It is with a great deal of pleasure we invite you to attend our first production sale. Anyone acquainted with me realizes that I am intensely interested in Shorthorns and greatly enjoy attending shows and sales. It has long been my ambition to hold a production sale. An annual sale would require a larger herd than fits our farming operation. Rather, we would like to hold a sale every several years.

We will sell some of our very best cows...cows which have left us daughters, with a few exceptions, in which case we are keeping the old cows because of their age and are selling their daughters. We are also offering a top group of heifer and bull calves. To complete the offering and provide sufficient numbers, we invited Don and Mike Dugdale to consign. Their Shorthorns are highly regarded. They agreed to put in some of their very best. We could expect and ask no more. We believe this combination makes one of the strongest offerings to be sold anywhere this year.

We have spent many years and many dollars putting these cows together from the best herds in Canada and the United States. We have bought the ones that suited us when the opportunity arose almost regardless of cost. A number of top cattlemen have told us this is one of the best herds to be found anywhere.

We doubt if many other breeders having gone to this effort and expense would sell cows like these. Although we hesitate to do so, we feel it is sound management for our 80-acre farm. The cattle will not be overfitted. We are offering you mothers to buy and their production to see, with the firm belief they will continue to produce as well for you.

We hope to see you on, or before, December 7th. If we can be of any help on sale day, feel free to call on us.

**REMITALL REAL FORTUNE** — A full brother to the 1967 sale champion bull in Denver that went to Merle Jordan in Washington. His dam also produced Remitall Ella May, the great female that went to Dr. R. J. Smith in Iowa at \$1,800 and was later champion female at the P.N.E., Vancouver, B.C. Real Fortune had a broken leg as a calf. Early last summer, he re-injured himself and had to be sold. However, he sired a top bunch of calves in 1970. Our show winnings at the 1970 Nebraska State Fair on his first three calves were: first prize junior calf, second-prize junior calf, first-prize pair of females, first-prize junior get of sire, first-prize senior calf, calf champion female, reserve calf champion female and Nebraska champion female. Real Fortune sired top sons as well as daughters. There are a number of his 1970 calves selling that will make good show prospects for 1971.

**Lot 1 — Remitall Elite Mint 934A**

**REMITALL ELITE MINT 934 A** — This young bull was purchased in the 1970 Canadian International Bull Sale at Brandon, Manitoba, where he was junior champion. Sired by the \$10,200 Remitall Choice Mint. His dam, by Remitall Hercules, sold in the 1969 Remitall Sale to Hollyshire Shorthorns, Holly, Mich., for \$2,550. Elite Mint has grown tremendously and, in my opinion, is the best horned bull I have seen anywhere. He is big, yet very trim and structurally correct. **We are offering two-thirds interest** and possession, as we have 200 ampules of excellent semen by him which will be used on our reduced herd. He is a very sure breeder, having settled 30 cows this summer.

He is by Remitall Real Fortune and out of a dam by Meadow View Kilty 30th, the great white, ton bull in the Thiede herd. This calf should make a great herd sire. His dam is just a two-year-old heifer and she did a mighty fine job of raising him.

She is also the dam of the grand champion and top selling bull at the 1966 Minnesota State Sale, Blue Earth going to Melroe Bros., Cogswell, N. D. at \$950. He in turn sired a bull that brought \$1,000 in the fall 1969 North Dakota State Sale. **DUCHESS OF GLOSTER 68th** — This is the pick of many as top cow in our herd. A cow for anyone seeking improvement. She is sired by Louada Snowstorm, a son of Bapton Roan Robin. His dam, Coldoch Jealousy 4th, is in my opinion, the best cow I have ever seen. She sold to Northwood Farms for \$5,200 and consistently produced females that averaged \$2,500 in their sales. I assure anyone who seeks size with muscling, along with tremendous length and trimness, that they can find it in this cow. **To make her doubly valuable she sells with a March 15th bull calf at foot by TPS Coronet Leader 21st x and is rebred since July 6th to the same sire.** The son selling at side ranks with the best of the 21st sons. He is big, with trimness and lots of leg and length. He should easily make a ton bull. We have turned down some tempting offers from steer buyers for this calf. However, we felt this calf will make a sire that is needed by many breeders. A top 1971 show prospect.

**REMITALL DAISY MARY** — One of the very best daughters of Kelburn Great Event ever produced at Remitall. Her dam, Remitall Daisy May, is the granddam of the \$17,200 Remitall Super Event. Daisy Mary's pedigree represents some of the best cattle at Remitall. She is linebred to Ballechin Lovely, undefeated show cow and dam of Remitall Consort, that sired some of Remitall's best brood cows including the dam of Remitall Banner. Daisy Mary's first calf sold in Denver in 1967 for \$1,075 at 12 months of age. Her second calf sold in the 1969 Remitall Sale to Vic Bowman, Oregon City, Oregon for \$975. Her 1968 heifer sells in this sale. Her 1969 bull calf is in the Don Dugdale herd. Her 1970 heifer by TPS Coronet Leader 21st x is being retained and will be in our show herd next year. **Daisy Mary is again bred to TPS Coronet Leader 21st x as of June 24th.**

**REMITALL DAISY DAWN**—This is an outstanding red daughter of Remitall Belvedere, herd sire for Cliff Milligan, Hinton, Okla. She calved at 21 months and did a fine job of raising her calf and also grew out well herself. However, we carried her over until this summer to rebreed her so she would calve at a more convenient time of the year. She is as big and modern as they come and would be an asset to any herd. Her dam sold for \$1,000 to Dr. R. J. Smith, Staceyville, Iowa. Bred to TPS Coronet Leader 21st x on June 29th. What a great calf that mating should produce.

**GIPSY MAID 300th** — This is a top-producing young cow by Northwood Battleship, the top bull in the 1964 Northwood Sale and the best bull ever sired by Glastullich Cock Robin, Denver and Ft. Worth grand champion. This cow is a very rapid producer and sells bred since July 26th to **TPS Coronet Leader 21st x**. Her heifer calf at side, DDM Leader's Gipsy Maid x, is polled. Anyone seeking a great heifer for show and breeding should check this one. She will make a wonderful cow.

**DDM DOROTHY 2nd** — Here is one of the very top-producing females in the herd. She has produced three outstanding daughters in a row. Her first sells in this sale. Her second is a wonderful heifer which will be shown in Chicago this year and is being retained. **She has a top-notch July 12th heifer calf at foot by Remitall Real Fortune.** Her sire, Leveldale Blood Bank, was 15 times a major show winner all over the U.S. in 1959-60. He was purchased for \$2,000 in the 1960 Leveldale Sale and went on to be the greatest sire at Circle L Ranch. Her dam is from one of the top families in the Circle L Herd. **Pasture bred after August 10th to Remitall Elite Mint.**

This is a daughter of DDM Dorothy 2nd, Lot 12 in this sale, that will be shown at Chicago. The Lot 12 cow sells with another equally impressive daughter at foot and is rebred.

# STANDARD GUARANTEE

## OF AMERICAN SHORTHORN BREEDING ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any other animal later substituted.
5. In the event an animal is returned by the buyer to the seller as a non-breeder, the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such certificate is required by the seller.
6. All animals are sold to comply with the laws regulating tuberculosis and Bang's disease of the state or country into which they may be shipped.
7. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
8. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animals are bid off.

# THE DUGDALE OFFERING

The next 25 lots are being consigned by Don and Mike Dugdale, Modale, Iowa. Due to a heart problem encountered by Don, the herd must be reduced. Consequently, they are offering many of their best to make this event truly a "purple ribbon" offering. Mike is an executive with American Beef in Omaha. His duties do not allow a great deal of time at the farm but they have given him some ideas of what constitutes a profitable beef animal. The Dugdale herd contains the profitable kind. The next 25 lots provide some valuable investment opportunities.

**TEMPEL EVERLASTING**

A thickly-made, heavy-quartered Shorthorn. Eight calves sell sired by him in addition to six females carrying his valuable service. Tempel Everlasting is a son of the International reserve grand champion, Louada Jason.

Shorthorns are the "Great Improver." According to the publication "European Breeds of Cattle" over 30 recognized breeds owe their parentage to Shorthorns. Included are Charolais, Maine-Anjou, Santa Gertrudis, Beefmaster and Angus. If you are interested in F 1 heifer programs, go with the breed that has been the most successful crossing breed for nearly 300 years. Shorthorns "quality mark" their progeny while other breeds merely "color mark" theirs.

## A CHALLENGE

It has been predicted that by 1980 the U. S. population will be about 230,000,000 people consuming an average of 120 pounds of beef per person. This will require over 27 billion pounds of beef which is about 42 per cent more than was consumed in the U. S. in 1966.

Our historical dependence on western sources for feeder cattle is changing. New feedlot operations in range areas are now depleting some of the Corn Belt's dependable sources for calves. This means that Grain Belt farmers are going to have to produce more of the feeder cattle required.

Then, too, 70 per cent of the material used for producing beef . . . corn stalks, wheat pasture, beet tops, etc. . . have no higher "use-value" than beef production.

With land values increasing in range areas, the land investment to carry a cow-calf is now cheaper in many sections of the Midwest than it is in more westerly and southwesterly range areas.

This all means a great opportunity for the cow owner in Iowa and Nebraska. The market for beef is growing. We need more farmers producing calves on their marginal acres. Economists predict it will be a paying proposition.

You can buy "extra" profit cows in this sale.
